

God gave you a story to tell. The Good News about Jesus' life, death, resurrection, and, especially, His offer to forgive us of our sin against Him, must be shared! It is God's will that every Christian share the truth that salvation is possible with other people. While there is only one way to God and, thus, one way to become a Christian, your journey toward Christ is unique. You have a personal story to share when you tell others about Christ.

Throughout the Bible we learn of God's love for people and His constant reaching for the heart of man. He invites Christians to join Him in winning people to faith in Christ. In fact, God says "He who wins souls is wise." Proverbs 11:30.
